# REPORT FROM THE PRESIDENT

Dear Members,

Welcome to the latest edition of Rawson Review!

It is with much pleasure that I present to you my 14th Annual Report as Club President and thank my fellow Directors, our Chief Executive Officer Peter Saez and his Management Team for their continual dedication, vision and support.

The Annual Report will be available for viewing on the Club's website and you will find the required notice of the Annual General Meeting and relevant information in this issue.

I am pleased to report to you that once again our team has delivered a healthy bottom line with a net trading profit of \$4,554,455. As part of our community work I am thrilled to further announce that we have been able to provide more donations this year than any other period. We have announced a wonderful partnership which I am immensely proud of with Karonga School which you can also read about in this issue. We have also continued to support the wider community by donating to other relevant charities and organisations including the Max Potential Leadership

Program, the NWS Koalas Soccer Team and their Pink Ribbon Program, the Special Olympics and veteran's event the Invictus Games. In total, I am delighted that we have been able to distribute over \$350,000 through the ClubGrants Program in our local area.

Congratulations must go to our own Rawsons Restaurant and Level One Fitness. These two vital parts of our Club offering are both finalists in the Northern Districts Local Business Awards. I eagerly await the outcome and offer my thanks to the Managers and staff who have worked so hard to be shortlisted.

On behalf of the Board of Directors and our Management Team we hope to see you at the Club very soon. This season is jam-packed with wonderful events and promotions. Be sure to join in the fun, Merry Christmas.

David Taylor – President

**Congratulations to our 50 Year Members: Mr Kedward Joice, Mr Kenneth Wighton and John Anderson OAM.**

## Vale Robert Henry Waterson OAM

The longest serving Director in the history of the Epping Club and Club Life Member, Robert 'Bob' Waterson passed away on June 3, 2018 at 96 years of age.

Bob was a member of the Club's Board of Directors for 24 years and served terms as Club Vice President during this time. A passionate and strategic contributor, Bob was involved in a number of major projects including the planning and 1995 building of our current Rawson Street premises.

A loyal member, Bob and his wife attended all Club functions and were regular and much-loved faces at the Friday night raffles after which they would later enjoy dinner together.

Bob saw active Service in New Guinea and Bougainville during World War II with the AIF engineers. He was also enlisted with the CMF (now Army Reserve) for a lengthy period following the War. Bob was a well-respected leader of the Epping RSL Sub Branch holding the role of Secretary for many years.

On behalf of the Management team and Board of Directors I would like to acknowledge the incredible contribution of an outstanding gentleman and all he brought to his role at The Epping Club. Bob will be sadly missed by his wife Ita, family members and his many friends.

# Our New Partnership with Karonga!

On 'Do Something Day' 2018 your Club announced that it will be raising \$60,000 for Karonga School over the next 12 months.

This initiative will see us working with Karonga to upgrade the school's multi-sports courts including the restoration of existing infrastructure as well as a new playing surface, tennis nets, basketball and netball hoops and new multi-sport line marking. These improvements will make participation in sport and physical activity more accessible to the students of Karonga as well as for safer and easier play.

To launch the new partnership a cheque was presented to the School and a tree planted to symbolise the ongoing relationship. We look forward to updating you on the progress of Karonga School's upgrade over the next 12 months!
