THE EPPING CLUB SUPPORTS OUR LOCAL COMMUNITY

Chief Executive Officer of The Epping Club, Peter Saez joined representatives of the other participating Clubs in the Parramatta local Government area, to hand over joint funds of \$508 247 to a number of local deserving charity and community groups and initiatives on Wednesday 18 August 2010 at The Epping Club.

To ensure these funds were meeting the needs of the local area, The Epping Club joined forces with other Clubs located within the Parramatta Council borders, a DOC's representative and other community needs organisations, to form a committee to analyse applications and distribute the CDSE (Community Development Support Expenditure scheme) grants. This funding is provided by the Clubs to assist local community and/or charity groups on a specific project basis.

Parramatta Council Representatives have guided and coordinated the CDSE committee, ensuring that funding distributed by the Clubs within the Parramatta Council region met local community needs and the appropriate charities and groups received funding.

David Taylor- President of The Epping Club said "I am very proud to support groups such as the Shack and the Rotary Club of Epping; that are doing some great work in supporting the youth and underprivileged in our local area"
