How do you fill in a sunny afternoon or a Friday or Saturday evening in the land of suburbia? In the North Western region of Sydney: The Epping Club is the place to be. Sydney's 5 Star Club offers many exciting and entertaining features that you would expect from a Club but oh so much more!

Some of the really "stand out" features are the 5 Star function facilities, restaurant: The Terrace Restaurant Bar and Grill and the E bar. Already renowned for being one of Sydney's leading wedding venues with its beautiful Gone with the Wind style sweeping staircase- perfect for your bridal party photographs and the elegant Grand Ballroom with a sweeping outdoor terrace- come and visit The Epping Club today.

We offer both all inclusive packages- where we can do everything for you from the cake to the chair covers, the venue and the limousine transfers or if you are a bride who wants to add your own creative flair; we can offer you a delicious menu, the venue and you can do everything else yourself. Our flexibility is why so many brides and grooms love the hassle free experience of holding their wedding at The Epping Club.

Our internationally trained chef – Bikky Ahluwalia offers a personal menu tasting and can produce a tailor-made delicious 3 course menu to satisfy your personal style and requirements. The personal wedding coordinators are always available to discuss the various wedding packages and help turn your dreams into reality.

The E bar and Brasserie is a modern styled venue to chill out, listen to the latest tunes and sip on sumptuous cocktails and enjoy a range of snacks or lights meals. You can relax and watch all the latest sporting events on the plasma screens over a beer on the comfortable generous lounges. For those wanting something more intimate; the booths provide the opportunity for privacy and a top wine list caters for relaxing and then snack on the range of choices from the tapas menu.

Friday and Saturday night at E Bar are the regular launching nights for the forays into the city. Here the crowd get primed on cocktails at less than top end prices. The atmosphere is electric as the weekend excitement builds, so not everyone ends up in the city. Many prefer to stay local in a bar that has the lot without the hassle of transport.

The restaurant; The Terrace Restaurant Bar and Grill offers a place to settle into; if a more convivial evening with friends is needed. As the lunch crowd of regular local businesses suits, retirees and locals dissipate from the restaurant mid-afternoon, it takes on the evening mood of a confident dining location.

The restaurant is best described as a stand alone location within a Club environment. The layout caters for all, offering different levels and areas for the romantic occasion or the private dining room is perfect for groups and birthday celebrations. The mood lighting is pleasing and sets the pace for your meal as you listen to the melodic sounds of the piano player

The ever changing menus offers seasonal specialities and everyone from the vegetarian to the carnivore are catered for. Modern dishes of seafood delicacies, John Dee premium beef as well as authentic Spanish paella and gourmet seafood and salads are all on offer here at The Terrace Restaurant Bar and Grill- the great dining secret of Epping.

The wine list is extensive, with many on offer by the glass too.
