MEMBERS' GUARANTEE

The company is limited by guarantee. If the company is wound up the constitution of the company states that each member is required to contribute \$2 each towards meeting any outstanding obligations of the company. The total amount contributed would be \$35,868.

REVIEW OF OPERATIONS

The profit of the club for the financial year before income tax amounted to \$1,400,821 (2020: \$266,508).
Income tax of Nil was provided (2020: Nil)

Covid-19 Government regulations meant the Club was closed from 26 June 2021. As at the date of this report the Club was still closed and not trading. The Club will continue to be bound by Government Covid-19 regulations.

The club received, during the first quarter of the year, Government assistance in the form of the Cash Flow Boost (\$50,000) and the Jobkeeper Programme (\$717,750). This enabled the club to maintain positive cash flow and helped to retain the employees.

Club membership was 17,947 as at 30th June 2021 (14,480 as at 30th June 2020) and was made up as follows:

Life Members	13
Ordinary Members	<u>17,934</u>
	<u>17,947</u>

OBJECTIVES

The objectives of the club are to operate in a responsible and financially prudent manner with the aim of enhancing membership benefits and contributing to the local community. The Epping Club plays an important role in honouring present and returned servicemen and servicewomen.

Specific short and long term objectives include:

Short Term

- Provide the best possible facilities to members
- Encourage new membership
- Improve profitability and efficiency of club operations

Long Term

- Maintain financial stability of the club
- Ensure facilities continue to cater for members' needs
- Diversify income streams

STRATEGY FOR ACHIEVING THE OBJECTIVES

Attract and maintain quality management and staff.

Be flexible and adapt to the changing environment of the club, economy and member demographic characteristics.
To continually review and upgrade facilities of the club.

PRINCIPAL ACTIVITIES

The principal activity of the Company during the period was that of a Licensed Club conducted for Members and Members' Guests according to the Constitution.

HOW THESE ACTIVITIES ASSIST IN ACHIEVING THE OBJECTIVES

The principal activities of the club contributed to achieving the objectives by providing a stable base of operations. This ensured the financial stability and generated funds to meet the demands of the company and maintain high levels of service to members and guests.

PERFORMANCE MEASUREMENT AND KEY PERFORMANCE INDICATORS

The financial performance of the club is measured against the budget set and benchmark data for the industry.

Some of the specific areas reported on and monitored include:

- Earnings before Interest Tax Depreciation and Amortisation (EBITDA)
- Gross Profit Margins
- Expense Ratios and Analysis
- Cash Flow
- Members' Feedback
- Staff Turnover

GOING CONCERN

Covid-19 Government regulations meant the Club was closed from 26 June 2021. As at the date of this report the Club was still closed and not trading.

This has naturally had an adverse effect on the Club's finances going forward in the 2021/22 financial year. The Club is currently receiving some assistance from the Government stimulus package and the Club also has substantial cash reserves. The Directors have maintained that it is still appropriate to prepare the financial statements on a going concern basis. This assumes that once re-opened the Club will continue with normal business activities and the realisation of assets and settlement of liabilities will be in the ordinary course of business.

AUDITOR'S INDEPENDENCE DECLARATION

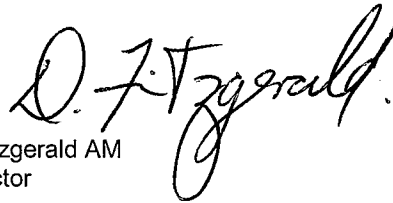

The auditor's independence declaration follows and forms part of the directors' report for the financial year ended 30 June 2021.

Dated at Epping this 25th day of August 2021

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE EPPING CLUB LIMITED

Report on the Audit of the Financial Report

Opinion

I have audited the accompanying financial report of The Epping Club Limited (the Company), which comprises the Statement of Financial Position as at 30 June 2021, Statement of profit or loss and other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In my opinion, the accompanying financial report of the Company is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2021 and of its financial performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis of Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described as in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than in the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information obtained at the date of this auditor's report comprises the information included in the company's annual report for the year ended 30 June 2021, but does not include the financial report and my auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed on the other information obtained prior to the date of this auditor's report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibility of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions, may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the directors with a statement that I have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

AUDITOR'S INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE CORPORATIONS ACT

To the Directors of The Epping Club Limited

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 30 June 2021, there have been:

- (a) No contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (b) No contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30TH JUNE, 2021

1. SUMMARY OF ACCOUNTING POLICIES

The following summary explains the significant accounting policies that have been adopted in the preparation of the accounts. Unless otherwise stated, such accounting policies are consistent with those used in previous years.

(a) BASIS OF PREPARATION

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified where applicable by the measurement at fair value of selected on-current assets, financial assets and financial liabilities.

(b) INVENTORIES

Stock on hand is valued at the lower of cost and net realisable value. Costs are assigned to quantities on hand at balance date on the basis of first in-first out value.

(c) PROPERTY, PLANT & EQUIPMENT

Except for land, tableware items and uniforms, all fixed assets are stated at original cost less the relevant provisions for depreciation.

(d) LAND & BUILDINGS

The company's properties are now classified as either "Core" or Non-Core" property. Core property is property occupied by the club as licensed premises. The club can only dispose of its core property if the disposal has been approved by a resolution passed by the majority of members. The property must be sold at public auction after valuation by a registered valuer. These requirements do not apply to non-core property, ie, investment properties.

The items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Initially, investment properties are measured at cost including transaction costs. Subsequent to initial recognition investment properties are stated at fair value. Gains or losses arising from changes in the fair values of investment properties are included in the income statement in the year in which they arise.

(e) DEPRECIATION

Depreciation is calculated on the straight line basis so as to write off the net cost of each fixed asset during its expected useful life. Profit and losses on disposal of depreciable assets are taken into account when determining profit and loss. Expenditure on tableware items and uniforms is accounted for by showing the initial investment at cost and charging replacements against revenue in relevant subsequent periods.

Major depreciation periods are

Freehold Buildings	40 years
Plant and Equipment	10 years
Gaming Machines	7 years
Motor Vehicles	5 years

(f) INCOME TAX

Under present legislation, income derived by the company from members is not assessable to income tax. Income tax liabilities arise in respect of income derived from non-members and investments less certain allowable deductions. Commission income is now assessable in full and not subject to the member/non-member principle. The club does not adopt Tax-effect accounting principles.

(g) RENTAL PAYMENTS

Electronic assets are subject to a rental agreement and the rental payments are charged as expenses in the periods in which they are incurred.

(h) PROVISION FOR EMPLOYEE'S BENEFITS

Charges are made against profits to provide accrued annual leave and long service leave at wage and salary rates in accordance with employees' entitlements under the relevant Statutes and Awards. Amounts accrued for long service leave which have not vested are shown as non-current liabilities and are calculated on the unvested rights of employees who have passed their fifth year of employment.

(i) REVENUE RECOGNITION

Membership subscriptions paid in advance are deferred to the period in which the income relates. All costs associated with the procurement of membership subscriptions are expensed as incurred. The proportion of subscriptions and other revenue which relate to the period after 30 June 2021 is not included in revenue but deferred as advance income.

(j) IMPAIRMENT OF ASSETS

At each reporting date, the management reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is then expensed to the income statement.

(k) INTANGIBLE ASSETS - NOTE 12

Poker Machine Entitlements

Poker machine entitlements are not amortised. Instead, poker machine entitlements are tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and are carried at cost less accumulated impairment losses.

(l) NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE PERIODS

A number of new and revised standards are effective for annual periods beginning on or after 1 January 2015. Information on these new standards is presented below.

AASB 9: *Financial Instruments* (effective application for the Company is 1 July 2018)

AASB 9 *Financial Instruments* addresses the classification, measurement and de-recognition of financial assets and financial liabilities. It also sets out new rules for hedge accounting and impairment of financial assets. The Company has applied the standard from 1 July 2018. The application of this standard has no material impact on any of the amounts recognised in the Financial Statements.

AASB 15: *Revenue from Contracts with Customers* (effective application for the Company is 1 July 2018)

AASB 15 *Revenue from Contracts with Customers* clarifies the principles for recognition revenue from contracts with customers. It applies to all contracts with customers except leases, financial instruments and insurance contracts. The Company has applied the standard from 1 July 2018. The application of this standard has no material impact on any of the amounts recognised in the Financial Statements. Subscription fee revenue and Function events revenue are recognised when the Club's contractual obligations have been fulfilled.

AASB 16: *Leases* (effective application for the Company is 1 July 2019)

AASB 16 *Leases* introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless underlying asset is of low value. The Company has applied the standard from 1 July 2019. The application of this standard has no material impact on any of the amounts recognised in the Financial Statements.

It is a requirement of the Corporations Act 2001 for the directors to form a view as to the valuation of land and buildings as at 30 June 2021. The directors therefore believe that a reasonable value for the purpose of the Corporations Act 2001 is the current book value shown in the financial statements. Therefore both core and non-core properties were not revalued this year.

The land holdings of The Epping Club Limited are classified as either core or non-core properties, as listed below

Core Properties

- The Epping Club premises at 45-47 Rawson Street, Epping

Non-Core Properties

- 50E Rawson Street, Epping

27. EVENTS AFTER THE BALANCE SHEET DATE

As at the date of this report the Club was closed as required by the Government Covid-19 Regulations.

The Directors have reviewed the likely impact of Covid-19 on the assets and liabilities at 30.06.21 and do not believe there to be any significant financial impacts that would require any adjustments to the amounts disclosed in the financial report.

In reaching this decision the Directors have considered the substantial cash reserves of the Club and the continued assistance from the Government stimulus package.
