President's Report

Welcome to the first edition of Rawson Review for 2021. Here's a raised glass to a wonderful year ahead!

With COVID restrictions constantly lifting, it is exciting to look forward to activities at your Club returning to normal. Of course this means outstanding food, five star events and re-filling the Club's calendar with many of your favourite weekly activities that we know you have all missed.

There's never been a better time to enjoy a meal at Rawsons Restaurant. Summer means seafood and if you haven't already tried our sumptuous seafood platter (perfect for sharing!) I would encourage you to do so. January will also see your Club buzzing with activity and a 'Hello Summer' promotion which includes special offers right across the venue in dining, cocktails, fitness and events – plus great summer prizes to be won.

I am pleased to further let you know that applications for charity, community support and sponsorship, as part of the ClubGRANTS program are available mid-March. For those who wish to apply I welcome and encourage you to do so. You can download the relevant information from the club's website. One such project is our recent sponsorship of Karonga School upgrading their courtyard. This has created a safe and engaging play space for their students and I am delighted to share an image below.

Looking forward, the next months are jam-packed with exciting events, promotions and competitions. From Seniors Week to Kids Eat Free, Australia Day to Chinese New Year there's endless opportunities to have a great night out at your Club. The future for your Club has never looked brighter and we can't wait to continually surprise and delight you this year. We're truly excited to be back and hope you will be also!

On behalf of the Board of Directors and Management I wish you a wonderful 2021 and look forward to seeing you at the Club very soon.

David Taylor, President
