

TRIVIA RULES

THE QUIZ

1. The 45 question quiz is a community event designed to entertain members and their guests. It is a test of knowledge, memory and intuition.
 2. The trivia presenter will make every effort at accurate marking and will happily listen to feedback from competitors but any disputes are to be settled at the presenter's whole discretion. We are not playing for sheep stations.
 3. No competitor shall use any printed information or prepared files of any type during the quiz.
 4. No competitor shall use a mobile telephone or any other digital source of information and the trivia presenter has the discretion to ask people to desist or depart. We cannot expect the rest of the competitors to be at peace with anyone else using any external sources of information.
 5. A competitor who leaves the room during a round of questions may be asked by the presenter to remain outside until the end of that round of questions. This is at the discretion of the presenter.
 6. The team must play at least 4 weeks out of the preceding 8 to qualify for prizes.
 7. In the unusual situation that any competitor has gained prior knowledge to any questions or answers by fair or foul means that person is disqualified from entering.

THE JACKPOT

1. The Jackpot grows \$50 each week to a maximum of \$1000. If the club sees fit to change this approach it may do so.
 2. Jackpot prize can only be collected by an Epping Club member (please see our staff at the club entrance to join the Epping Club).
 3. At the conclusion of the 3rd jackpot question you have 45 seconds to submit your answers, while the trivia presenter will be pragmatic and have common sense, he or she retains the right to enforce this as strictly as he or she sees fit.
 4. Where there is a grey area of interpretation about a jackpot answer or question this dispute will be settled by the trivia operator in consultation with the club as soon as convenient but in not more than 14 days.
 5. Where a trivia presenter or the club suspects untoward activity in relation to the Jackpot section it will defer payment in order to investigate this for up to 14 days.
 6. The jackpot will be paid by cash or cheque within 14 days as the club sees fit on a case by case basis.
