## Quick Reference Guide

### The EPlus Star Rewards Universal Program

Welcome to EPlus Star Rewards Universal, the exciting new rewards program from The Epping Club. EPlus Star Rewards Universal Program is a new rewards program that, together with the EPlus Star Rewards Prepaid eftpos Card, gives you the freedom to spend the reward points and promotional wins you earn with the club both internally, as well as at any merchant in Australia that accepts eftpos, subject to merchant discretion.

At the centre of EPlus Star Rewards Universal Program sits the EPlus Star Rewards Prepaid eftpos Card, a reloadable prepaid eftpos card that allows you to store your converted reward points, promotional wins, and own funds all in one convenient place to spend at 325,000 retailers nationwide, subject to merchant discretion.

Please refer to the Product Disclosure Statement (PDS) for the terms and conditions governing the EPlus Star Rewards Prepaid eftpos Card. Fees and charges apply – please refer to the PDS for details. A copy of the PDS is also available online at the club website.

### What can I do with my EPlus Star Rewards Prepaid eftpos Card?

Once you have an available balance on your card, you can start spending it!

It is with the EPlus Star Rewards Prepaid eftpos Card you spend your converted reward points and promotional wins that have been loaded onto your card. In this way, your card works like a financial passport for taking your reward points and promotional wins outside of the club to spend as a dollar balance at any merchant in Australia that accepts eftpos, subject to merchant discretion.

Unlike traditional gift cards, with the EPlus Star Rewards Prepaid eftpos Card, the club can continue to load your converted reward points and promotional wins and you can continue to load additional funds all onto the same card to store or spend whenever you want.

EPlus Star Rewards Prepaid eftpos Card gives you the freedom to spend where you choose.

All cards carry a \$5,000 AUD limit. This means you can load funds and spend the balance as often as you wish, as long as the balance doesn't exceed \$5,000 at any one time. There are no credit checks required, the card is not linked to your personal bank accounts, and is valid for up to 5 years.

### THE PROGRAM

The EPlus Star Rewards Universal Program allows you to:

- Earn reward points at The Epping Club;
